Curriculum development	<i>Our curriculum, our environment and our people work together to inspire children to excel</i>	Our school setting and facilities reinforce our curriculum.  Our community values are reflected in our curriculum.
	There to be a shared understanding by those involved around what is expected from each curriculum area and develop document that is the same for each	To design a local curriculum framework that develops a shared understanding of curriculum areas that reflect what we value as a school/community.
Partnerships	<i>The cultural diversity of our school is a strength that is reflected in our attitude and our actions. We honour the Treaty of Waitangi and celebrate tikanga Maori</i>	We embrace and accept tikanga Maori to become bi-cultural citizens.  Tikanga is seen and heard within our school.
